GPR - Rectangular Cushions for PMR

EPDM rubber rectangular Cushions with calibrated holes for coaxial cables. They perfectly suit the **PMR** and **COR** frames. Thanks to the **GPE** expander action, the water tightness of the system is ensured.

GPR - Guarnizioni Rettangolari per PMR

Blocchetti rettangolari con fori calibrati per cavi coassiali. Si inseriscono nelle cornici **PMR** e **COR** adattandosi perfettamente. Grazie all'espansore **GPE** vengono compressi per ottenere la sigillatura del passaggio.

MATERIAL

Black EPDM, U.V. Resistant
